

ARCHERGAS®

ENGINEERING DURABILITY

Declaration of Conformity

This is to certify that the following product supplied by Archergas Limited carries a valid UKCA & CE mark certification and has been tested against the following design standards: EN 16297-1:2012, EN 16297-2:2012 and EN 16297-3:2012

Model: **Archergas® Heating Standard 15-60/130**

Serial/Part Number: **ST15**

Machinery: **Electro mechanical cast iron centrifugal water circulator**

Generic Denomination: **Other centrifugal pumps, not for agricultural use, rotational speed <10000r/min**

Function: **Circulates liquid around domestic heating systems**

Type: **Standalone circulator - (Glandless standalone circulator)**

Archergas Limited hereby declares that the machinery detailed above fulfils all the relevant provisions of The Supply of Machinery (Safety) Regulations 2008.

Archergas Limited hereby declares that the machinery detailed above fulfils all the relevant provisions of The Electrical Equipment (Safety) Regulations 2016 - this declaration is issued under the sole responsibility of the manufacturer.

Archergas Limited hereby declares that the machinery detailed above fulfils all the relevant provisions of The Electromagnetic Compatibility Regulations 2016 - this declaration is issued under the sole responsibility of the manufacturer.

Archergas Limited hereby declares that the machinery detailed above fulfils all the relevant provisions of The Ecodesign for Energy-Related Products Regulations 2010 (Commission Regulation (EC) 641/2009) i.e. The Retained Commission Regulation (EC) No 641/2009 of 22 July 2009 implementing Directive 2005/32/EC of the European Parliament and of the Council with regard to eco-design requirements for glandless standalone circulators and glandless circulators integrated in products.

If you have any questions regarding this declaration, do not hesitate to contact Archergas Limited.
